

BIBLE PATTERNS OF SEVENS NARRATIVE

INTRODUCTION

This document illustrates many of the matchups that are contained in the "Patterns of Sevens Chart". The reader is invited to research further. Within each of the seven columns, various line items match according to the pattern or theme of that column.

The seven columns total 7,000 years and match the seven days of creation, and other sevens.

Realize that each column represents a millenium of history; thus, the earth as we know it will have a life span of only seven thousand years:

"But, beloved, be not ignorant of this one thing, that one day is with the Lord as a thousand years, and a thousand years as one day." (2 Pet. 3:8)

At the end of the 7th millenium (column 7) a new earth will come into existence:

GAP ??? reign of pagan doctrine tried to eclipse the truth of the gospel (4th plague of Rev. 8:12). The dark ages, also known as the middle ages, considered by some to be a period of 1000 to 1200 years long, began approximately in the third to fourth century A.D. and lasted roughly into the reign of Queen Mary. The "church" attempted to remove all forms of other gods from culture, and also any beliefs contrary to the "church". Even science & liberal arts were purged, plunging society into intellectual and also spiritual darkness because the "church" had departed from knowledge of the Bible and itself went into paganism in the observance of ceremonial rituals.

> So, this "GAP" is symbolic of the eclipse of gospel truth by pagan doctrine, resulting in darkness.
